False Evidence Appearing Real is what stops a guy from doing the Will of God. Fear is one of the premier tools that the devil uses to attack our faith in God. The Bible says that faith without works is dead, therefore the devil aims to kill our faith by stopping our faithful actions with the fear he divines on us.

Fear usually attacks these 3 areas in which God alone satisfies: **Provision, Protection, and Pleasure.**

- **Provision** is our ability to provide for ourselves and our families. When we don't rely on God alone for provision, we give the devil access to use fear tactics to cause us to doubt God's *provision* for our lives.

- **Protection** is the confidence that we are safe from harm. The devil loves to threaten us in order to cause us to do what he wants, rather than obeying God.

- **Pleasure** is the feeling of enjoyment and satisfaction. When we get our pleasure from lust of the flesh rather than the things that please God, we can allow the devil to entice us to sin. When you walk in the flesh the things of God seem to be boring and lack pleasure.

The Bible says that God didn't give us the spirit of fear, therefore it is very important that we live a selfless life to quench fear and be full of faith!
