S.O.L (Soldiers of Love)

As men representing God, we are responsible for showing our love for God through obeying what He tell us to do and expressing God's love to others. Without us accepting God's love for us (through Him sending His Only Begotten Son Jesus Christ to pay the price for us to have the opportunity to be saved), there is no way that mankind can express love because God is love (1 John 4:8). The Bible says that we are to love others the way God loves us and to love our neighbor as ourselves. How can we practically do this?

1. We must first love ourselves by committing our lives (& repenting from sins) to following Jesus Christ fully so He can show us our identity and purpose as for why we were created for such a time as this.

2. We must have God's heart for people to have a natural desire to seek good for others. Ask God for His heart towards people!

3. We must be willing to tell the absolute truth to others (and stand on the truth no matter what happens) when God presents the opportunities.

4. We must be available to meet people's needs, which allows us to show God's love through tangible examples.

5. We must be willing to pray & intercede for others.

6. We must forgive others to be forgiven & set free from bondage by God ourselves. One of the enemy's greatest attacks is unforgiveness!

7. We must die to fleshly & demonic actions to allow the Holy Spirit opportunities to convict people of their sins & open doors for the Gospel to be shared with others.

These practical components of love can open doorways for lost souls to be saved. **Who's willing to become a soldier of love?**

-Christopher Isaac
